September 2 - Courses begin
September 16 - Last date to drop courses
November 1 - Submit any/all missing documents in application
November 2 - Register for Winter courses
December 16 - 22 - Exams
January - Meet with advisor to create plan of work for future semesters
How to Drop a Class

1 - Log into Academica
2 - Select “Register/Add/Drop” from the right hand menu
3 - Select “Register - Add/Drop Classes” from the left hand menu
4 - Select Fall 15 and submit
5 - Scroll down to “Current Schedule,” and under “Action,” Select “Drop 100% Tuit & Fee Cancel”
6 - Finally, scroll down and select “Submit Changes”
7 - Ensure you drop before September 16 to receive 100% of tuition back
Admit Temporary Students

- If you have “Admit Temporary” Status, you must submit all of your missing documents by **November 1**
- Your official transcripts must be mailed directly from your prior university to the Wayne State Graduate School

- If you do not turn in your missing documents, you will be unable to register for Winter courses
- International students who do not submit missing documents will lose visa status and be sent back to their home country
Wayne State’s Engineering Career Resource Center (ECRC) is dedicated to meeting the career needs of our students.

- Meet with Engineering’s Career Services Coordinator, Erin Rook (erin.rook@wayne.edu)
- Stop by the Engineering Career Fair on Oct. 1st
- Find ECRC on Facebook!
- Check out the ECRC Career Blog
- Connect with Industry through The Front Door
Join us on Social Media!

University Library

- Wayne State has five major libraries dedicated to advancing student success.
- We hold one of the largest technical journal archives in Southeast Michigan.
- Our libraries all have extended hours in the Fall and Winter, and staff is always available to help with research needs.
- Find out more information on the WSU libraries at http://library.wayne.edu/
Wayne State University Police Officers are all college graduates and State of Michigan certified Police Officers.

Our police officers patrol the Midtown area 24 hours a day, 7 days a week.

They offer a variety of safety programs and services you can access through their website.

In case of emergency, always call 313-577-2222.

Stay informed: sign up for broadcast alerts.

WSU Police have an emergency response time of 90 seconds.
Make sure you understand Wayne State’s policy on Academic Dishonesty

**Cheating**
Intentionally using or attempting to use, or intentionally providing or attempting to provide unauthorized materials, information or assistance in any academic exercise.

- Copying from another student’s test paper.
- Allowing another student to copy from a test paper.
- Using unauthorized material such as a "cheat sheet" during an exam.

**Plagiarism**
To take and use another's words or ideas as one's own.

- Failure to use appropriate referencing when using the words or ideas of other persons.
- Altering the language, paraphrasing, omitting, rearranging, or forming new combinations of words in an attempt to make the thoughts of another appear as your own.
Each year, PhD students are required to fill out an Annual Review Survey. Completion of this survey gives students the opportunity to apply for scholarships and travel awards within the College of Engineering. The survey is a valuable tool for helping our PhD students track progress towards their degree with the help of their advisor. Surveys will be sent out at the end of Winter semester.
#1: Who is the Dean of the College of Engineering?

#2: What is the Wayne State Police Department emergency response time?

#3: Does the College of Engineering have its own Career Services counselor?
