Novi student awarded scholarship by American Council of Engineering Companies

Stephanie Boileau receives $1,000 scholarship for Wayne State

The American Council of Engineering Companies of Michigan (ACEC/M) is pleased to announce that Stephanie Boileau is the winner of a $1,000 scholarship for her continued studies at Wayne State University.

Boileau, a graduate of Novi High School, is currently a student at Wayne State, majoring in Civil and Environmental Engineering.

During 2013, Boileau worked at the Kalamazoo office of Soil and Materials Engineers, where she performed concrete testing, asphalt density testing and soil compaction testing.

Stephanie is a member of American Society of Civil Engineers, and the Institute of Transportation Engineers. She is also a member of the Engineering Society of Detroit.

She was honored on February 22 during ACEC/Michigan’s annual Engineering & Surveying Excellence Awards held at The JW Marriott, Grand Rapids, MI.

####

ACEC/Michigan is a nonprofit trade association made up of 100 consulting engineering, surveying, consulting engineering/architectural, geotechnical, and scientific firms. ACEC/M is
part of the American Council of Engineering Companies in Washington, D.C., which is comprised of more than 5,000 firms nationwide.
