# PENNY WARS

## PENNIES

All pennies added to **your** major's bucket contribute positive points to your total!

(1 penny = +1 point)

## SILVER COINS/BILLS

Add silver coins, or even bills, to **other** major's buckets to subtract points from their totals!

(e.g. 1 quarter =  
- 25 points)

**BUCKETS IN ENGG**

**ROOM 2204 or Lobby!**

**DEFEND YOUR MAJOR. A LITTLE CHANGE GOES A LONG WAY.**

- **Bonus points at Battle of the Engineers (2/26/2017)** will go to the major with the highest total!
- Proceeds benefit the Tau Beta Pi Scholarship Fund. Apply for one of two **\$500 scholarships** if you are a freshman or sophomore when available! More info will be coming by the end of the month
